

PHSD Re-Entry Poll (August) data

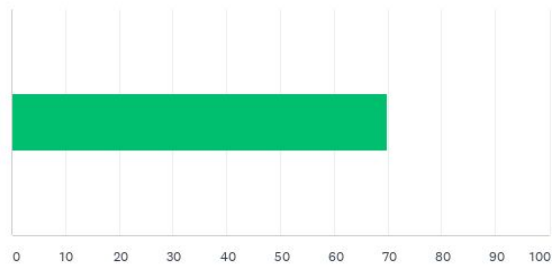

Q1 The 'Daily Health Check' is required of all staff and students before coming to school. It is a key Health Measure in the school re-entry plan. How confident are you that the Daily Health Check will keep the number of staff and students with symptoms as low as possible?

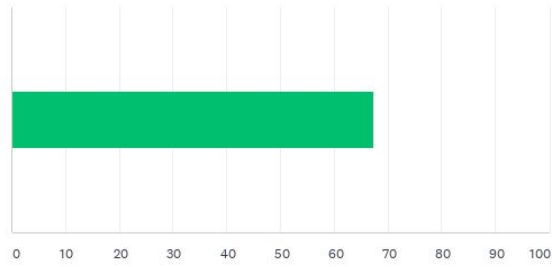

Q2 The increased and intensified cleaning protocols is a second key Health Measure in the school re-entry plan. How confident are you with the planned cleaning protocols?

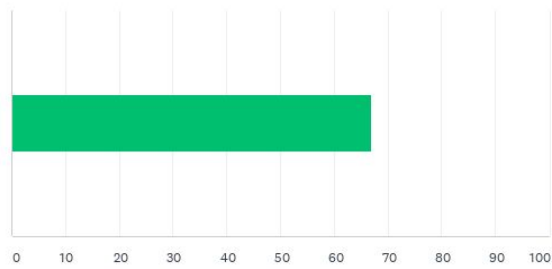

Q3 How confident are you with the following Health Measure? Schools will send individual students (and staff) home if they become symptomatic.

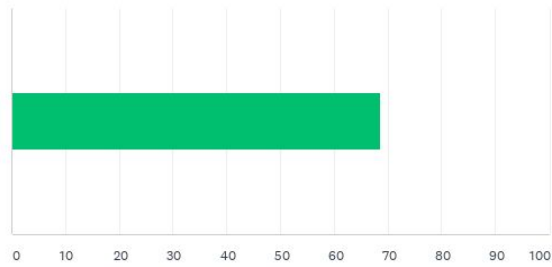

Q4 How confident are you in YOUR child's ability to comply with the Health Measures?
Frequent hand washing Following directions for physical distancing in common areas
Seating plans on busses and or in classrooms

Q5 How confident are you in your child's ability to comply with the Health Measure requiring Grade 4-12 students to wear masks when physical distancing is not possible or practical?

Q6 How confident are you with your school's ability to deliver a quality educational program under Scenario 1 (near normal with health measures)?

Q7 How comfortable are your children with their return to school?
